ERASMUS+ STUDENT INTERN MOBILITY

- It is a programme in which students do an internship in a company or any related workplace abroad.
- Students in program receive donations.
- The first application for Student Internship Mobility is received in November in each academic year. In case of an increase in the grant due to student waivers or additional grants to our university, re-application is made in the same academic year. The second application period starts in March.
- Students attended language exams makes their mobility applications. Applications are completed as online.
- Students are ranked within their departments from the highest Final Erasmus+ Grade (the sum of 50% of the overall academic average and 50% of the grade obtained from the language exam) to the lowest. Principal and reserve lists are determined.
- Students who are on the first and reserve list must find an internship place and receive an acceptance.

ERASMUS+ STUDENT INTERN MOBILITY

- Application Requirements (It might show a change in every application terms)
 1. For undergraduate a GPA OF 2.20 and form master and PHD a GPA of 2.5.
 2. To score above the base score determined for each application period in the English language exam to be organised.
- There is no bilateral agreement within the scope of Internship Mobility. The student finds the internship place himself/herself and is obliged to submit the acceptance letter received from the institution where he/she will do internship to the Exchange Programmes Coordination Office within the allocated period.
- The European Commission divides the organisations that can provide internships within the scope of Erasmus+ into two groups.
 - 1) Institutions that meet the definition of Education Centre: Institutions such as universities, research centres, institutes, language schools, laboratories and courses.
 - 2) Institutions that meet the definition of business: Organisations such as factories, firms, companies and offices.
